### Step 02: Complete 6 self-learning sessions on our learning hub.

These are fun interactive sessions that will teach you different skills. They will take you about 20 minutes per session. You need to do these sessions to become eligible for an industry mentor

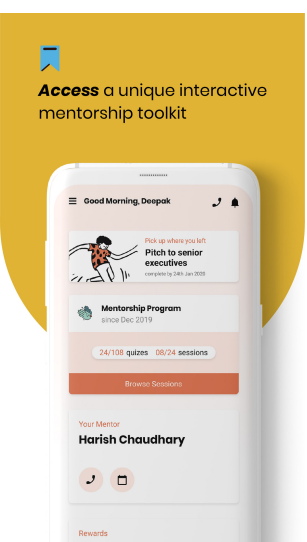

### Step 03: Discuss with our team member

Once you finish your self-learning, our team member will call you and speak to you about your application and mentoring needs.

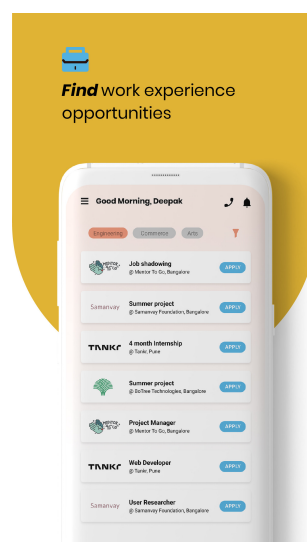

### Step 04: Get matched to an industry mentor

Our matching algorithm will then find a match for you amongst our industry mentors. We have mentors from a range of companies - Cisco, HP, Wipro, Cognizant, LinkedIn and many others!

### Step 05: Complete mentorship using our toolkit

Once you get your mentor, you can do a range of discussions and calls with your mentor. You will have our work readiness sessions that will also help you do activities together to make you work ready

### Step 06: Apply for work experience opportunities

Once you complete 10 work readiness sessions you will be able to apply for work experience opportunities and projects through our mentor network

We hope this is a useful experience for you in these tough times of the covid-19 pandemic! While we all have to physically distanced, the Mentor To Go app can be you connected with your peers and mentors across the country!
